**For Sale: Piano, Furniture, Tools, Many other Goodies - Fund Raiser for Pilgrimage to Grace Cathedral**

### **BUILDING COMMITTEE UP-DATE**

The building committee met again on April 17 to share the information that had been gathered during the past month. **Karrol Lankford** and **Carolyn Gates** are still waiting for figures from two companies that do steel construction. **Bud** and **Hilda Arnold** have received some preliminary figures from one of the modular construction companies that they contacted.

We also discussed several options for the engineering of our site plan (this is required by the city and includes several specific ordinances). **Bruce Dockter** will check out the possibility of the UA School of engineering doing the plan as a pro bono project that would provide experience to their students while under the supervision of the university faculty.

**Nancy Rea** and I have staked out the rough shape of a foot print for the new building and sidewalks. They will also provide the square footage figures to committee members who are researching our options. We will meet again on May 1. Please keep our project in your prayers. **Fr. Vic**

**MOTHER'S DAY at St. Andrew's, Nogales:** It's customary to put together Gift Bags for the mothers of the little patients at St. Andrew's each May. **Alverita Egbert** will head for the clinic on Thursday, May 3, and asks for your help with toiletries, usable costume jewelry, perfume/cologne, and other pretty things for the Gift Bags. Drop your donation off in the large box at the back of the church. Thank you!

**FROM OUR E.C.W.** Chapel Rock Episcopal Summer Camp is held each year for children and youth in grades 3-12. Many St. Stephen's young people have attended in the past and enjoyed themselves immensely. The St. Stephen's E.C.W. offers scholarship for half the cost of one session per child. See the flyer on the inside porch bulletin board, or call Dinah McCreery (378-1138) or Doris Millard (452-0403) with any questions about or suggestions for scholarships.

**NATIVE AMERICAN MINISTRY:** Your wonderful donations for our Domestic Violence mission work at San Carlos Apache Reservation were outstanding. **Catherine Brookshire** and I delivered a trunk load of clothes and toys at the Native American Ministry Meeting in Tempe on April 14. A great big thank you to all who donated! Material for quilts was also delivered that day. Both collection requests are on-going and when ever I see a full bin, be assured that your contributions will be taken directly to the San Carlos representative for Domestic Violence. Quilting supplies are being sent to the collection point in Missouri for the Lakota reservations. More will follow on the recent Native American Ministry meeting. Just wanted to let you know how great you all are in assisting with this ministry. Peace and Joy! **Dottie Gutwein**

**A THANK YOU:** **Joe Landensack** writes: *Dear Fr. Vic and all the members of St. Stephen's, Thank you very much for all your prayers and concern. My recovery is progressing and I thank you for all of your support. I long to rejoin you soon in classes and worship. In Christ, Joe.*

**SALVATION ARMY LUNCH.** What a pleasure it was to serve lunch at the newly refurbished Salvation Army facility right after Easter. The remodeled kitchen is spotless, well-equipped, and convenient. **Alverita Egbert** prepared an outstanding taco salad which everyone loved, with side dishes of *frijoles refritos con queso* and seven dozen Easter eggs! Kudos to all who helped: **Marlene Stearns** who provided tortillas and stayed to serve with **Bill Gardwood**, and menu support from **Pat Sabin, Nancy Rea, and Jean Dearman**. Thanks to all!  
**Bonnie Bosworth**

### **New - Refreshed - More Informative**

Check out St. Stephen's new look on the World Wide Web. We have refreshed the opening pages and added lots of new pages: an *E-Scene* archive, and up-coming events web pages:

Including a blog (Web Log/Journal) by Fr. Vic.

COME AND JOIN THE CONVERSATION AT [www.StStephensAz.org](http://www.StStephensAz.org)
