THE VESTRY REQUESTS YOUR INPUT!

As we move forward on the construction of our new building, the Vestry would like to have input from members of St. Stephen's on the use of our present and new spaces.

We will be having a special **Town Hall Meeting** for this conversation on **January 16th at 3:30 p.m.** If you are not able to attend, or just prefer to speak your mind in a different setting, please contact any member of the Vestry directly. Phone numbers and e-mail addresses are included with this *E-Scene*.

*A chart of parish activities and current use of space is attached as a pdf file.
Vestry e-mail addresses and telephone numbers are listed below.*

December San Carlos Apache Reservation Food and Blanket Drive:

In early December, the San Carlos Apache Tribe received an anonymous donation of \$5000.00 to be used for food distribution through out the reservation in Bylas and Peridot (San Carlos), AZ. The residents in Bylas took a major part in the collecting of food, packing the boxes and delivery. Unfortunately for those of us who planned to go to All Saints, Safford to assist in the process, the dates were changed to Dec. 16 and 17- weekdays that those of us at St Stephens and other areas could not reschedule our work days time off. The decision was made by the coordinator at All Saints, Safford that all blankets donated since Dec. 1 will be delivered in January to those who were on the list to receive them in December. We are very thankful for the generous monetary donation which was so needed to supply 100 families with turkeys and food boxes for Christmas in the Bylas area. Please continue to bring your gently used blankets and leave on the side pews of the church. the date of delivery will follow as soon as it is known.

Thank you again, Dottie Gutwein

*Remember in your prayers,
Isla Jacobs' husband Alex Robb Jacobs.*
