### **CIRCLE OF FRIENDS**

Of course, we meet  
We meet within your heart,  
And gathered in the circle of your love  
We greet each other fondly  
And begin that interchange  
of thought and joke and prayer  
That knits us each to each.  
No matter that our lives are lived apart  
You reach across the miles  
And by your love  
Unite us in your heart.

### **Save the Time BIBLE STUDY**

Beginning Wednesday, Sept. 2  
Preceded by Intercessory Prayer - 9:15-10:00  
Plan to take this opportunity to rethink the  
Sunday School lessons of your childhood. Rethink  
as a "gown-up" the meanings of the stories about  
Moses, David, Abraham, Ruth Deborah and other  
fore-mothers and fore-fathers.  
In a circle of friends with DUD lectures by  
scholar Amy-Jill Levine, ponder the Old  
Testament roots of our faith.  
Further notices and information  
in July and August.
