BABY IT IS COLD OUTSIDE! San Carlos Apache reservation in Bylas (about 1/2 hour from Safford) gets mighty cold in November thru March. We are once again asking for gently used blankets or flannel sheets to be delivered with the Thanksgiving and Christmas food boxes. They will be delivered the weekends before the holiday. Please be generous and leave your donations on the side pews in the church. I will pick them up each Sunday and store them until delivery time. For more information on this project, please call dottie gutwein
