The Beginning

The first visible steps toward the new Education Building. Western Technologies drilling for soil samples on Tuesday, May 20. The informal report is the earth was solid so there should be no problems building on it.

The Scotts attend the 7:30 Sunday morning service. Nathan is assigned to Fort Huachuca, attending the military officers advance course. Please call Dinah (378-1138) if you can join in this joyful occasion.

Support the Symphony & Promote St. Stephen's - Coming in September

Those of you who attend our wonderful Sierra Vista Symphony Concerts enjoy the refreshments served free at intermission. St. Stephen's has agreed to provide cookies for the first concert of the season on **Saturday, September 13**. We will need lots of cookies – around 120 dozen! If you bake, get out your yummiest recipes. If you don't bake – store-bought cookies are welcome. The is a great opportunity to serve the community and make St. Stephen's visible, as well.. More details to follow as September approaches.

St. Stephen's New Mission Statement

*Through the guidance of the Holy Spirit, Saint Stephen's is called to:
live the love of Christ and one another, dedicate ourselves to serve the needs of all peoples,
and to promote spiritual growth*

WE NEED A PARISH SLOGAN!

With the development of our new Mission Statement, we have discovered that we also need a slogan. Something short and catchy that we can use on all our literature, e.g., business cards, brochures, advertisements.

Soooooo, let's have a summer contest!

Prize: A free polo shirt featuring your (Winning) slogan for St. Stephen's and the Episcopal Shield.

Dead line: August 1, 2008

Send submissions to: *Bonnie* (office@StStephensAz.org) or
Fr. Victor (Vsarrazin@StStephensAz.org)
